

## **Merchant Services of Irvine Supports Boys Wish to Attend Jedi Training Camp**

Beaumont, Calif.; Aug. 1, 2012 – Merchant Services partners with the Make-A-Wish Foundation® of Orange County and the Inland Empire to make a boy's wish to attend Jedi Training Camp come true.

Star Wars is the one joy that keeps Brayden distracted during his countless medical treatments. Even before he learned to read, he was studying everything there was to know about becoming a Jedi. When it came time to select his wish, Brayden knew that he wanted to go to Jedi Training camp at Disney World. At the Training Camp, Jedi themed wheel decals and a Star Wars sunshade transformed Brayden's wheelchair into his very own spaceship transporting him to special shows, presentations and face-to-face interactions with his favorite Star Wars characters. After several days of non-stop exploration and tireless training, Brayden earned the title of Jedi Master.

“Thanks to the Make-A-Wish Foundation, children with life threatening medical conditions can experience things they might not normally have a chance to because of their illness or financial challenges,” said Vice President of Merchant Services Nathan Jurczyk. “Make-A-Wish makes it possible for the whole family to be involved. It's something they can look forward to and enjoy together as a family.”

Since its inception in 1995, Merchant Services has committed itself to serving the community. Its team partners with multiple local, national, and international organizations to meet its vision of continuously acting in a socially responsible manner through the investment of hundreds of thousands of dollars in donations to community strengthening organizations.
