**Merchant Services Sponsors Fourth Wish in Three Months - A Child's Wish to Meet George Lopez**

Merchant Services continues to give back to the community by sponsoring a fourth wish in only three months. Merchant Services, an industry leader in the electronic payment solutions industry has teamed up with the Make-a-Wish Foundation® to grant a young man's wish to meet George Lopez.

Although he is living with leukemia, Sixteen year-old Isaiah loves spending time watching baseball and professional wrestling with his family and watching shows that feature his favorite comedian, George Lopez. When the time came to meet with his wish granters, Isaiah knew exactly what his wish would be; to meet his comedy idol!

On the day of his wish, Isaiah was in for an experience that he would never forget. Nearly twenty of his family members gathered at Isaiah's house for a backyard barbeque in celebration of his special day. Isaiah greeted all of his guests with a huge smile as he waited for the arrival of his favorite comedian. Isaiah had even worked on a few jokes that he was eager to share with the popular actor and comedian.

Isaiah's face lit up with excitement as George walked through the front door and greeted Isaiah with a handshake and a warm smile. The two chatted like they were lifelong friends, and, after enjoying the barbeque, George even did an impromptu stand-up routine in the family's garage!

Isaiah's meeting with George Lopez was greater than he could have ever imagined and has provided memories that will last a lifetime. Isaiah and his family are very grateful to the Make-A-Wish Foundation® for granting his wish and making his one special dream a reality!
