Merchant Services Helps Family Enjoy Magical Getaway

What do you get when you add together a love for the Jonas Brothers, Disney, and the desire for a family vacation? An ultimate trip to Walt Disney World®! Merchant Services partnered with the Make-A-Wish Foundation® of Orange County and the Inland Empire to help a young girl's wish come to life.

When Jasmine met with her wish granters, she was exuberant in her affection for Disney and expressed a strong desire to take a trip to the Magic Kingdom® in Orlando, Florida. Thus, on her very first trip out of California, Jasmine and her family found themselves right in the middle of Jasmine's dream.

For five days she experienced everything the Walt Disney World® Resort had to offer. From thrilling rides and spectacular shows to wild animals and behind-the-scenes tours, they did it all. There was never a moment where a dream wasn't coming true.

Jasmine brought back to California the love and joy she experienced at Walt Disney World to keep close by forever. With pictures and stories galore, Jasmine shared her wish with the rest of her family and friends. Jasmine continues to remember that trip as a true high point of her life thus far. She will be forever grateful to Make-A-Wish® for helping her dreams to become reality.

Senior Vice President for Merchant Services, Bob Parisi, stated "The Merchant Services family is steadfast in its commitment to giving back to the community. We were thrilled to partner with the Make-A-Wish Foundation® to help make Jasmine's wish a reality."

Merchant Services' corporate culture is grounded in a firm commitment of giving back to the community, and the company stands firm in its commitment to donate a portion of its proceeds to deserving not-for-profit organizations, including its proud support of the Make-A-Wish Foundation®.
