Merchant Services Named to First Data President's Club for the Third Year in a Row

For the third consecutive year Merchant Services has been recognized as a top performing sales organization by the nation's largest systems processing company, First Data.

Being named to First Data's *President's Club* is an honor that is presented to only the top tier of First Data's U.S. merchant service providers, as ranked by overall performance in that calendar year. Highly coveted in the industry, this award recognizes companies with exceptional service programs that have excelled in merchant acquisition and overall growth and performance ratings.

Merchant Services Vice President Nathan Jurczyk remarked, "We are thrilled to once again receive this recognition for our work in 2010.
