Merchant Services Helps 6-Year-Old Girl's Fairytale Wish Come to Life!

Celeste is a joyful little girl who loves watching Hannah Montana and Disney princess movies. When the wish granters asked Celeste about her most heartfelt wish, she knew exactly what she wanted - to have a princess room so she could enjoy it every day!

Merchant Services was pleased to partner with the Make-A-Wish Foundation® of Orange County and the Inland Empire to help make Celeste's fairytale wish come true!

On the day of her wish, Celeste happily danced around the house dressed in a lovely purple princess dress - complete with a tiara - as she waited for her room to be unveiled.

When Celeste walked into her room, she didn't know where to look first! From the canopy bed to the new armoire and desk, she instantly fell in love with all her new princess decor. She was overjoyed at what a great job her wish granters had done and couldn't believe that they had completely transformed her room in such a short time. She was very appreciative and shared her gratitude with smiles and hugs for everyone.

Celeste's new room is truly fit for a princess and will continue to bring her endless joy and happiness. Celeste and her family are very thankful that her one special wish came true so she can now live like the princess she truly is!

"We are thrilled to partner with Make-A-Wish® to help make special wishes like Celeste's come true. It is our hope that her beautiful new princess room brings her much strength, happiness and joy," shared Vice President of Merchant Services Nathan Jurczyk.
